Advanced MSK Ultrasound-guided Injection Techniques

CHAPTER	LECTURE	TIMING
Introduction to Advanced MSK Guided Injections	Welcome to this course	0:00:43
	Introduction to the Advanced MSK US guided procedures	0:03:33
	Introduction to ultrasound-guided nerve hydrodissection	0:04:23
Advanced Ultrasound-guided Shoulder Injections	Shoulder hydrodistension: Indications and evidence	0:02:15
	Sonoanatomy of the posterior glenohumeral joint	0:01:10
	Shoulder hydrodistension: Advanced injection technique	0:08:17
	Shoulder barbotage and lavage: Indications and evidence	0:02:10
	Sonoanatomy of the supraspinatus tendon	0:01:03
	Shoulder barbotage and lavage: Advanced injection technique	0:10:04
	Supascapular nerve block: Indications and evidence	0:02:16
	Sonoanatomy of the supascapular nerve	0:01:31
	Supascapular nerve block: Advanced injection technique	0:06:08
Advanced Ultrasound-guided Elbow Injections	Insertional biceps tendon injection: Indications and evidence	0:01:50
	Sonoanatomy of the distal biceps tendon	0:02:51
	Insertional biceps tendon injection: Advanced injection technique	0:04:43
	Percutaneous needle tenotomy for tennis elbow: Indications and evidence	0:02:14
	Sonoanatomy of the extensor tendon of the elbow	0:02:01
	Percutaneous needle tenotomy for tennis elbow: Advanced injection technique	0:05:33
	Ulnar nerve hydrodissection: Indications and evidence	0:02:00
	Sonoanatomy of the ulnar nerve	0:01:41
	Ulnar nerve hydrodissection: Advanced injection technique	0:04:17
Advanced Ultrasound-guided Wrist & Hand Injections	Carpal tunnel hydrodissection: Indications and evidence	0:01:33
	Sonoanatomy of the carpal tunnel	0:01:29
	Carpal tunnel hydrodissection: Advanced injection technique	0:05:18
	Trigger finger percutaneous release: Indications and evidence	0:01:53
	Sonoanatomy of the A1 pulley	0:01:32
	Trigger finger percutaneous release: Advanced injection technique	0:09:07
	STT joint injection: Indications and evidence	0:01:02
	Sonoanatomy of the STT joint	0:01:29
	STT joint injection: Advanced injection technique	0:03:24

Advanced ultrasound-guided Hip Injections	Iliopsoas tendon injection: Indications and evidence	0:01:25
	Sonoanatomy of the iliopsoas tendon	0:02:10
	Iliopsoas tendon: Advanced injection technique	0:05:15
	Lateral femoral cutaneous nerve injection: Indications and evidence	0:02:06
	Sonoanatomy of the lateral femoral cutaneous nerve	0:02:04
	Lateral femoral cutaneous nerve: Advanced injection technique	0:05:49
	Ilioinguinal nerve injection: Indications and evidence	0:02:02
	Sonoanatomy of the Ilioinguinal nerve	0:02:20
	Ilioinguinal nerve: Advanced injection technique	0:05:06
	Obturator nerve injection: Indications and evidence	0:01:59
	Sonoanatomy of the obturator nerve	0:02:17
	Obturator nerve: Advanced injection technique	0:05:18
	Pubic symphysis injection: Indications and evidence	0:01:15
	Sonoanatomy of the pubic symphysis	0:01:30
	Pubic symphysis: Advanced injection technique	0:04:26
Advanced Ultrasound-guided Buttock Injections	Hamstring origin and sciatic nerve hydrodissection: Indications and evidence	0:02:32
	Sonoanatomy of the hamstring origin and sciatic nerve	0:02:32
	Hamstring origin tendon: Advanced injection technique	0:08:21
	Sacroiliac joint injection: Indications and evidence	0:02:26
	Sonoanatomy of the sacroiliac joint	0:02:09
	Sacroiliac joint: Advanced injection technique	0:04:35
	Piriformis muscle injection: Indications and evidence	0:02:25
	Sonoanatomy of the piriformis muscle	0:02:35
	Piriformis muscle: Advanced injection technique	0:06:41
Advanced Ultrasound-guided Knee Injections	Superior tibiofibular joint injection: Indications and evidence	0:01:25
	Sonoanatomy of the superior tibiofibular joint	0:02:02
	Superior tibiofibular joint: Advanced injection technique	0:05:07
	Knee joint line injection: Indications and evidence	0:01:43
	Sonoanatomy of the medial compartment of the knee	0:02:40
	Knee joint line: Advanced injection technique	0:06:20
Advanced Ultrasound guided Ankle & Foot Injections	Achilles tendon scraping: Indications and evidence	0:01:30
	Sonoanatomy of the Achilles tendon	0:01:42
	Achilles tendon scraping: Advanced injection technique	0:07:46
	Plantaris tendon hydrodissection: Indications and evidence	0:02:32
	Sonoanatomy of the plantaris tendon	0:02:56
	Plantaris tendon hydrodissection: Advanced injection technique	0:06:38

	Subtalar joint injection: Indications and evidence	0:01:12
	Sonoanatomy of the subtalar joint	0:02:45
	Subtalar joint: Advanced injection technique	0:06:44
	Posterior ankle joint injection: Indications and evidence	0:01:47
	Sonoanatomy of the posterior ankle joint	0:03:21
	Posterior ankle joint: Advanced injection technique	0:05:01
	Tibial and Baxter's nerve hydrodissection: Indications and evidence	0:01:59
	Sonoanatomy of the tibial and Baxter's nerve	0:02:49
	Tibial and Baxter's nerve hydrodissection: Advanced injection technique	0:08:54
	Sural nerve hydrodissection: Indications and evidence	0:01:52
	Sonoanatomy of the sural nerve	0:01:39
	Sural nerve hydrodissection: Advanced injection technique	0:03:43
	Total time	4:21:05
